Proposed Alternative District Plan 1	Proposed New District Name	Current District Name	Are all the schools in this district a part of the proposed new district name?	If the answer is "NO", then list the name of the School or Schools that are a part of the proposed new district.

Clarkdale-Jerome Elementary		Clarkdale-Jerome Elementary	Yes	
Mingus Union High School		Mingus Union High School	Yes	
Skull Valley Elementary School District	Iron Springs Unified School District	Skull Valley ESD	Yes	(This option will require a
Hillside Elementary School District		Hillside ESD	Yes	legislative change to allow
Kirkland Elementary School District		Kirkland ESD	Yes	for construction of a 9-12 or 7-12 facility)
Yarnell Elementary School District		Yarnell ESD	Yes	
Walnut Grove Elementary School District		Walnut Grove ESD	Yes	
Canon Elementary School District	Hot Springs Unified School District	Canon Elementary School District	Yes	(This unification would also require a
Crown King Elementary School District		Crown King Elementary School District	Yes	legislative change to allow for construction
Champie Elementary School District	(only eastern portion of district)	Champie Elementary School District	Yes	of a secondary facility.)

**Unchanged Districts in Yavapai County with recommendation for consolidation**

Congress (suggest consolidation with Wickenburg USD)

Beaver Creek (suggest consolidation with Camp Verde USD)

Williamson Valley (suggest consolidation with Chino Valley USD)

**Additional Note:**

Champie - western portion of district should consolidate with Wickenburg USD

Seligman, Ash Fork & Williams should consolidate as one USD

Proposed Alternative District Plan 2	Proposed New District Name	Current District Name	Are all the schools in this district a part of the proposed new district name?	If the answer is "NO", then list the name of the School or Schools that are a part of the proposed new district.

No suggestions at this time for a 2nd scenario as Canon is in the process of beginning talks with Deer Valley USD about consolidation. That would change the options of Crown King and Champie and maybe others.

**Email Clarification Sent from Rita Leyva to Gretchen Kitchel: Friday, August 18, 2006 2:01 PM (inserted into submittal form by Decision Theater)**

Plan A

1. New district unifying Clarkdale-Jerome ESD and Cottonwood-Oak Creek ESD and Mingus UHS.
2. New district unifying Skull Valley, Hillside, Kirkland, Yarnell and Walnut Grove, of course, with a legislative change so that a secondary facility could be built for them as soon as possible. Congress should be left out of this unification effort because most of their students already travel to Wickenburg for high school. The newly unified district would probably send theirs to Prescott until they could get a facility ready.
3. Divide the Champie ESD (in about half according to geographical features) and form a new unified district with eastern Champie, Crown King and Canon. Again, this would have to include the legislative change that would allow them to have their own high school facility when the 9 – 12 ADM can support it. Note: The Administration at Canon is already having dialogue with Deer Valley about consolidation. If they Canon consolidates with Deer Valley, item 3 would have to be analyzed again.
4. Give the western half of Champie to Wickenburg USD and encourage consolidation of Wickenburg, Congress and Aguila.
5. Encourage consolidation of Williamson Valley ESD and Chino Valley USD with a minor boundary change that would give them a small piece of what is now Prescott
6. Consolidate Seligman, Ash Fork and Williams and give a southern piece of Seligman's district to Williamson Valley.
7. Consolidate Beaver Creek ESD and Camp Verde USD.

Plan B:

1. New district unifying Clarkdale-Jerome ESD and Cottonwood-Oak Creek ESD and Mingus UHS.
2. New district unifying Skull Valley, Hillside, Kirkland, Yarnell and Walnut Grove, of course, with a legislative change so that a secondary facility could be built for them as soon as possible.
3. New district unifying Canon, Crown King and Champie.
4. Leave Congress as is with hopes of Congress consolidating with Wickenburg.
5. Leave Williamson Valley as is in hopes that they would consolidate with Chino Valley.
6. Leave Beaver Creek as is in hopes that they would consolidate with Camp Verde.
